Details of the format and conditions of play are as under: -

1. **Teams:**

- All teams to be divided in four groups. Three groups will have 9 teams and one group will have 10 teams.
- Each team shall consist of 8 Players of which any 6 Players will play 3 matches.
- Maximum handicap allowed for any player to participate in the tournament shall be "18".
- Players to be 16 years and above only.

2. **Tournament:**

The tournament in league consists of 3 matches, which are **Match Play**, **Alternate Shot** and **Two-ball Scramble**.

A match shall consist of 3 games as follows:

**GAME 1:** FOURSOMES (Alternate Shot)

In foursomes, each two-men team plays one ball per hole with the players taking turns until each hole is complete. Players alternate hitting tee shots, with one leading off on odd-numbered holes, and the other hitting first on even-numbered holes. The team with the low score on each hole wins that hole. If their scores are tied, the hole is halved.

**Handicap Allowance:** The allowance for the higher-handicapped side is 50 percent of the difference between the combined **Course Handicap** of each side.

**Example:** Side A-B with a combined Course Handicap of 15 competes against side C-D with a combined Course Handicap of 36. The higher handicapped side, C-D, receives 11 strokes ( $36 - 15 = 21 \times 50\% = 10.5$  rounded to 11). Strokes are taken as assigned on the players' respective stroke allocation table.

**GAME 2. TWO BALL SCRAMBLE**

A scramble is played with two - person teams. Each player plays from the teeing area on each hole, one of the tee shots is selected and both the players play their second shots from that spot. One of the second shots is then selected, and both players play their third shots from that spot, and so on until the ball is holed. Ball may be placed within one club length not closer to the Pin.

Handicap Allowance : The allowance will be calculated by taking Player A ( lower handicap player) 35% Player B 15%

Example : Player A '5' \* 35% = 1.75 round off = 2 Player B '18' 15% = 2.7 round off = 3 Team A+B = h'cap 5
