## From The Captain's Desk

As we begin a new term at the Rambagh Golf club, I wanted to take a moment to express my gratitude and excitement to be serving as your Captain. Our club has a rich history and a strong sense of community, and I am honoured to be a part of it.

I would like to thank all the previous captains and executive committees who have worked hard to bring the club to its present stature. It will be my endeavour to continue the good work that has been done.

For the next two years, we as a committee, will work towards upgradation of golfing facility, setting up a Junior Golf Academy, virtual golf training facility, providing hi-tech coaching facility and a transparent management.

We will undertake a full scale water management programme to include rain water harvesting, ground water recharging, recycling water and have an efficient irrigation system. We will be working diligently towards acquiring the Stable area as per the tripartite agreement with the government.

I am lucky to have very hard working and forward looking members in the Executive Committee and am confident that I will be able to achieve my goals with their valued support. I am always open to suggestion and dialogues for the betterment of the club.

Finally, to all members, I thank you for your continued support and look forward to great golfing.

Warm Regards  
**Yogendra Singh**

## From The Secretary's Desk

### A JOURNEY OF GROWTH, GRATITUDE AND UNITY

As I pen these words as The Honorary Secretary of The Rambagh Golf Club, I am filled with gratitude and pride. My journey with this club began 30 years ago, as a wide eyed 16 year old stepping onto a patchy brown landscape. Over the years, I have witnessed its incredible evolution- an inspiring journey from humble beginnings to the lush green sanctuary we see today, made possible through dedication and hard work of our senior members.

Their contributions have been monumental—not just in developing the automated irrigation system that sustains our greenery, but also in standing as unwavering custodians of this beautiful land. Their dedication in safeguarding this course and the club, even amidst challenges like legal battles to protect it from governmental encroachments, has ensured that future generations can enjoy its beauty and tranquility.

Rambagh Golf Club is not just a place to play golf; it is a second home for all of us. It represents a community built on shared values of discipline, respect, and camaraderie. These principles have been the foundation of our growth and will remain essential as we look to the future.

As custodians of this incredible legacy, it is our collective responsibility to create an inclusive and welcoming environment for every member. Let us honour the traditions of the past while embracing progress with open arms. Together, we can ensure that Rambagh Golf Club remains a place where friendships are forged, skills are honed, and every round of golf celebrates the spirit of unity and belonging.

Regards  
**Samridh Sharma**

### Tilak Palawat

His journey with golf began over 30 years ago alongside his dear friend, the late Shri Kishan Rungta. What started as a shared passion gradually became an integral part of his life. For him, golf has been more than just a game—it has been a source of good health, happiness, and prosperity, enriching his life in countless ways.

As a dedicated golfer, he deeply cherishes the time spent on the course. It is a place where he has not only refined his skills but also found immense joy and peace. Through golf, he has met a community of incredible individuals, forming lifelong friendships and strong bonds that he holds dear.

To him, golf is far more than a sport—it is a journey of growth and learning, teaching patience, focus, and perseverance. The game continues to inspire and energize him, and he remains grateful for the many memories, connections, and fulfillment it has brought into his life.

### Jaswant Singh, DIG BSF

One of the senior most playing members of Jaipur's premier Rambagh Golf Club, a retired BSF officer, has had the privilege of being a regular golfer for the past 30 years. Joining the club in 1994 after retirement, he continues to play alongside veterans like Shri R.K. Sharma and Shri Ashok Pandey.

He fondly recalls the early years when the course was sandy, and tee-offs were from small jute mats. Mornings often began with 'chai' and potluck breakfasts under a tree near the Polo Club, in the company of esteemed golfers like Yatindra Singh ji, Rungta Sahib, and General Himmeth Singh ji.

Over the years, he has witnessed the transformation of Rambagh Golf Club from a dustbowl to a lush green oasis in the heart of Jaipur. For him, it is more than just a golf course—it is a home away from home, a place to play, relax, and connect. He is particularly delighted to see the growing interest of young players, especially girls, in the sport. He also expresses deep appreciation for the dedicated caddies and staff who contribute to making the club such a special place.

### Krishan Kumar Sabikhi Major, IAS (Retd.)

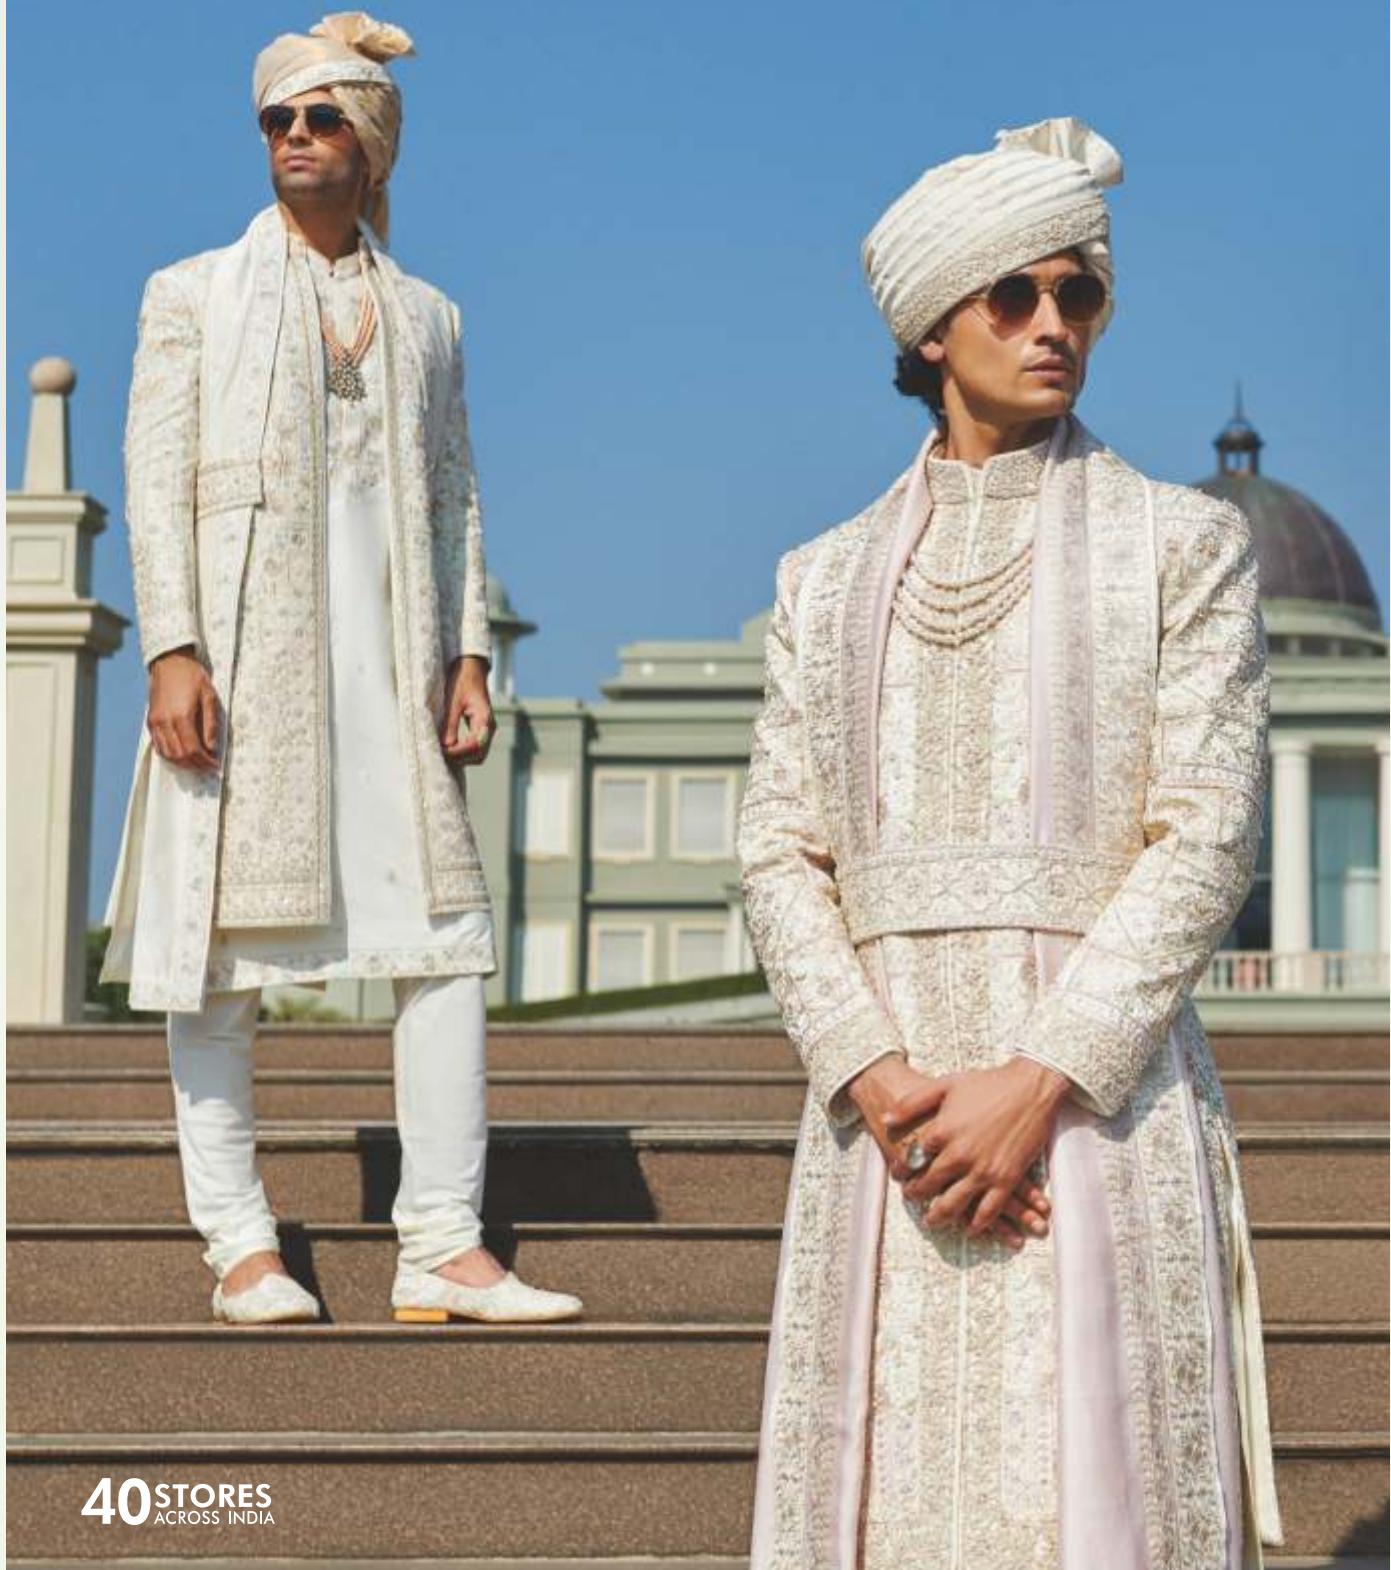

Krishan Kumar Sabikhi, Ex-Major and retired IAS officer, has been a dedicated member of Rambagh Golf Club since 1984. Over the years, he has witnessed the club's remarkable transformation from a sandy brown course to a lush green golfing destination of national repute. The club's continuous improvements, expert management, and top-tier maintenance have elevated its status, making it a premier golfing venue.

At 84, he continues to play golf daily, enjoying the well-maintained greens and the warm camaraderie of fellow members. He deeply appreciates the club's commitment to fostering a welcoming environment, especially for senior citizens, by providing excellent facilities and privileges. Rambagh Golf Club, with its rich heritage and growing prestige, remains a source of joy and fulfillment for him and countless other golf enthusiasts.
